Vision Statement: (no more than 150 words)	*CLTA has long been a professional home and a driving force in my intellectual growth. I was privileged to serve on CLTA board from 2007-09 for the first team and since last year the 2nd term, working at various functions. I believe in the value of CLTA as specified in its "Mission Statement" and the strength its leadership has to offer. If selected to serve in the new capacity, I would be committed to best represent our diverse membership and affiliates, encourage and support advocacy, outreach, and collaborative efforts in continued refinements to and attainment of CLTA's strategic goals and initiatives, and maintain and expand the vitality of CLTA in promoting scholarly explorations and best practices in Chinese teaching. I will be especially mindful of wishes and concerns of CLTA members of different generations, and serve and develop our organization with new energy and fresh perspectives.*
