English name Subisak, Jeannine Fan

Chinese Name 范良琦

Affiliations ACTFL, CLTA, CLASS, OFLA and OATC

Vision Statement

I envision CLTA continuously moving towards its goal of enlarging the membership to include K-16 levels. I believe in CLTA's commitment to serve the steadily increasing K-12 teachers. It calls for innovative action between colleges and the feeder secondary schools to support our secondary students to seamlessly transition into college levels. I participated in the first CLTA/CLASS forum at ACTFL as secretary and witnessed the excitement of both professional organizations to act globally. My credentials include 13 years of teaching in heritage school, 16 years in American mainstream secondary school and 6 years in AP test scoring team and serving in the ODE Foreign Language standards revision committee. Therefore, I bring forth the link from the K-12 pipeline to CLTA. Serving on the CLASS board and as the president of OATC, I am equipped with leadership. I passionately value this professional organization and will be honored to contribute.

Education

The Pennsylvania State University, Ph.D. August 1982
